Points of Discussion

- Playground behaviour?

What has gone well this year?

5 / 6 - school is going well. Exciting to have the new children join the school. They are nice children in the classroom. Work in school is fine and we loved the Tudor topic!

3 / 4 – school is going well. We would like the teachers to read more with the Year 4 children. Anglo Saxons was a great topic and it was fun to visit The Hive. It was really fun to investigate the bones they had!

1 / 2 – Going well in class and lovely to have the new children join the team. The Great Fire of London was a wonderful topic and it was brilliant to see the smoke from the gunpowder. The History Man is really fun!

Rec - PD will speak to the class about how school is going.

Playground Behaviour

Positives

- Children help each other on the playground when they are lonely.
- Friendship is good on the playground.
- All the play equipment is fun to use.
- Children are kind to each other most of the time.
- Children look forward to their playtimes.
- Lots of fun is had on the playground.
- Children apologise to each other in football for accidental fouls.
- Play Leaders are good and children enjoy playing their games. Most Yr 5 and 6 children enjoy being Play Leaders.
- Mrs Tinsdale is great at playtimes. She is fun, has great games and equipment and helps children feel calm and stay calm.

Even Better

- One or two children, when they fall out, find it hard to forgive.
- We would like the Friendship Bench to be explained in Collective Worship again.
- Two boys from Year 3 do push each other into a holly bush.
- Can the KS2 children use the climbing frame more.
- One child sometimes swears on the playground but the teachers all manage this.
