Game: what is your favourite subject in school?

Points of Discussion

- How can we make our work in the books look amazing?

What has gone well this year?

5 | 6 - *All okay in class. A concern about the amount of times the children have to do Times Tables. This was stressed as important as they need access to the Times Tables due to the Maths topics in Year 5 and 6. Children clear on Geography Topic studying.*

3 | 4 – *All okay in Year 3 and 4. Some children are not sure why others have wobble chairs and this will be explained to the class. Children aware of the History Topic they Re doing, The Romans.*

1 | 2 – *All okay and happy in class. With some support they were able to tell be they are doing History and investigating Toys.*

Rec - *Settled well from what we can all see. Children still need to work on Respect and how to speak to each other.*

Spirituality

How are we using the Spiritual Garden this year so far?

- The garden has been very popular as a place to be and sit. It is a calm space away from the rest of the playground and helps us relax from hectic places.
- It is a calm space where you can reflect.
- The sound of water is peaceful from the fountain.
- It is good to have time to yourself.
- A good place to draw and be mindful.
- Very calm space when gardening.
- ***We would like more tables so more people can draw.***

Marking

- Children were clear they like their work ticked and marked.
- They like to read the comments from teachers.
- They are happy for this to happen in class but they do look at their work after to see if been ticked or marked.
- We all like to see if we have a HP!

AOB

- Bring back Pizza Fridays.
- Can we have Golden Hours?
- Can we have Water Fountains in the classes?

Questions for class

1. Do you think your work is being presented neater in school this year?
2. Do you think your handwriting is improving this year in school?
3. What do you like to see in your books when they have been marked? How does it help you?
