Points of Discussion

- How have you used the Jubilee Garden this year?
The children have enjoyed using the Jubilee Garden and are happy to use it as a quiet place. They asked for a bird table for the birds to feed off.

What has gone well this year?

5 / 6 - *They have had a really fun term. All the children loved doing the Beatles Production. The Year 6 children really enjoyed the Residential. Year 5 liked Forest school this year and both year groups enjoyed the Bellboating.*

3 / 4 – *The children all liked the River Walk along the River Severn. The children were shocked at the size of the river and also displayed developing understanding of the process the river takes from the mountains to the mouth of the river.*

1 / 2 – *They have enjoyed the summer term and really liked writing!*

Rec - *All children are happy and looking forward to Year 1.*

Spirituality

What do you understand about Spirituality in school?

The children, with support, were able to name these features of Spirituality:

- Time / Reflection / Self awareness
- Awe and Wonder
- Connecting with others
- Looking at mystery and curiosity
- Time for prayer

We will need time in class and Collective Worship to develop Spirituality understanding.
