Points of Discussion

1. We will be looking at the different types of books to place into the library. Teachers are going to move some of the books into classroom book corners. We will then ask the PTFA for support in buying new books for the library.
2. Lessons and lunches, now the better weather is here, will be moved outside when possible.

What has gone well this year?

5 / 6 - *Year 5 and 6 are going well. They enjoy the creativity in the new book for literacy called Savage. They like exploring Population studies and had amazing facts about Australia especially about the density of parts and the lack of population in others. States of Matter is being explored in Science which is another good topic.*

3 / 4 – *They have developed their knowledge of writing Holiday Brochures and have enjoyed exploring this text. The topic of Rainforests is going well and they like the play they are practising.*

1 / 2 – *Writing skills have improved in the children's opinion. They are getting quicker and including punctuation in their work which makes it easier to read. They are enjoying Bear and the Piano, exploring the new topic of China and are able to read maps!*

What do you understand by the term Spirituality?

- The children had interesting ideas on Spirituality. One child believes it is about spirits and meditation. One child thought it was about the Holy Spirit, which is something you cannot see.
- All the children liked the Spiritual Garden and enjoyed going into it but they were unsure on what to use the Spiritual Garden for.
