Review of the school year – What went well and what can we do better?

What went well?

5 / 6 -

The children have had a good year although one child said it can be a little noisy sometimes. The favourite activity of one of the children was the Mayans and the History Man's visit to school. The child loved all the artefacts and what he could learn about history from them. Another member of the class loved the Year 6 Residential to Malvern and said it was great fun. He also loved the fact they had lots of cake!

The Year 5 children loved the school production of Bugsy Malone, the panto of Jack and the Beanstalk and pond dipping with Mrs Smith!

3 / 4 –

One child's favourite part of Year 3 and 4 was the Tudor topic and the baking of the Kings Jam Tarts. The other child enjoyed Maths and how they are now working in separate year groups. This has helped them learn more, not get as confused and get better and better at their Maths.

One of the other children commented on the trips to Selly Manor and the best one to the farm. He said the tractor ride was brilliant, Miss Hiley nearly got hit by a bramble and the expert helped them learn so much about the farm and how it works!

1/ 2 –

Year 1 and 2 have had a good year and really liked making smoothies and tasting them. They have also loved baking and learning about different places like Kenya!

Rec -

What has gone well in Reception?

- Making things and drawing. Playing with Playmobile. Worship and cooking. Painting sunflowers and making Little Pig Houses. Playing in the Home Corner and playing outside with bricks. Doing puzzles.

What could we improve?

Putting the caterpillar on the wall. Having new furniture and Frozen dolls. Some new books, carpet and play bricks would be great!

What can we do better?

Children would like Year 5 and 6 to be a little quieter and children in Year 3 and 4 would like less shouting out. Year 1 and 2 were very happy!

A big thanks to all of the children this year. They have all directly supported the development of the school and we cannot wait to see who will be the councillors next year!
