

School Council Agenda 24th April 2024

School Council: Alex and James B, Will E, Theo, Amelia, Freddie J,

Present at the meeting: James Dennis (Head teacher), Kate Leach (Governor)

Absent: Albie, Niamh, Romy

Game / Opener

What is the best thing about summer being on the way?

Children all discussed the different elements of the summer they enjoyed. Children love the warm weather, nature, flowers, holidays, the residential and play in school, lambs and ice cream.

Points of Discussion

- What does **Care of our environment** mean to you?
Children at the moment understand this to be littering and cleaning this up, global warming and how we can stop this. They also understood that this happened everywhere in the world.
- What does **Culture and Diversity** mean to you?
Children were less confident of this. They believed it was religion and learning about the different religions. Children need to develop the links to the other cultures outside of RE they understand.
- What does **Creativity and Innovation** mean to you?
Children believe this is about making things, painting, expressing yourself in a creative way and inventing
- What does **Economy and Power** mean to you?
Children knew about Power and linked this to Kings. They did not link to the empires they had study but quickly saw the link. They did not know about Economy at all.

Class Issues

5 / 6 - Children are enjoying the learning and the challenge in Year 5 and 6. They have enjoyed the topic of the Victorians, angles, Oliver Twist and the Christian religion. They would like to stop the talking in between questions. Children understood chronological order and research in History.

3 / 4 - The shouting out is much less in class. They are enjoying learning about the Tudors. Children understood chronological order and research in History.

1 / 2 -

Rec -

Last Meeting development points

- *How have the Play Leaders helped on the playground last term?*

The children are positive about it. The younger children are really enjoying it. The games are fun. Some children are not playing and on certain days we do not get a lot of children joining in.

- *Promote in assembly.*
- *Ask each class the games they like.*
- *Create videos to demonstrate the games.*

Next meeting: Summer 2
