Game / Opener

What is our favourite part of Christmas?

Children listed a great deal of different options including food, Christmas Trees, families but mainly presents!

Points of Discussion

- Ideas for the PTFA to take forward for the next two terms in school.
Children have asked for a pyjama day, a school disco, an Easter Egg hunt and possibly an Easter Bingo.
- What can you tell us about behaviour in school and how it is managed by the teachers and staff?
Children have asked for the shouting out to stop. Some classes are leaning on their chairs and causing trip hazards. Football can get a bit rough on the playground and we would like it to remain calmer. Reduce the chatting in class in Key Stage 2.

Class Issues

5 / 6 - Children would like some of the chatting to stop in class. The Ancient Greece topic in History is going well and so is Maths Problem Solving.

3 / 4 - Geography is a good exciting topic. Really enjoying learning about volcanoes and earthquakes. Some shouting out that we would like to stop.

1 / 2 - Mrs Armstrong is really nice. As a class we are looking at Kenya and we also would like to have less shouting out.

Rec - William will report to JD on this.

Last Meeting development points

- Children have been told that the Governors will be looking at how to help the school recycle plastic as well as paper. This will be discussed in the meeting of the Governors in January. This was explained to the children by Kate Leach.

Next meeting: Spring 1
