Present at the meeting: James Dennis (Head teacher) and Kate Leach (Governor)

Absent: Adam P

Game

My favourite crisps are? Cheese and Onion narrowly beat Prawn Cocktail

Class Issues

5 / 6 - Everything is very nice, Mrs Waller is very kind and funny. Maths is good. Homework is fun. The World War 2 is very interesting. All children were able to describe and recall and explain key events from the topic. Children also understood that they are historians and what a historian is.

3 / 4 - Everything is very good. Miss Hiley and Mrs Benton are very nice. The children also like Mrs Hughes as she is helpful and funny. The Stone age topic is very good. The children like being historians, artists and designers. This was tested when the children researched, designed and made their own Stone Age necklaces.

1 / 2 - Mrs Northover is a good teacher and Mrs Parry is very nice. The topic of the class is flying. The children have made Hot Air Balloons but found it more difficult to explain they have been historians and designers.

Rec - Children have settled well into school and have enjoyed the animal topic.

Last Meeting development points

- Focus on discussing a charity the class would like to support in school for the year.

Points of Discussion

- What charity would you like to support? What will we do as a class to raise money for the charity? Why?

Discussed the possible charities we would like to support this year. Link to topics the children are currently looking at in class. Year 5 / 6 British Legion, Year 3 / 4 a Homeless charity, Year 1 / 2 the Air Ambulance and Reception an Animal charity. Look for local options to develop a link.

- Request from Emily Dimmick (Chair of Governors) for a piece of writing and or a poster asking for parents to become Governors.

Discussed why we need to develop a poster. Suggested following the WW2 design. Children will create possible posters in first week back after half term.

Next meeting: Autumn 2 during November 2022
