Class Issues

5 / 6 - All okay, no specific worries or concerns. The topic they are learning is very good and they are enjoying it. All are looking forward to the History Man visit based on the Mayans. Persuasive writing is the text type and this is going well and enjoyable.

3 / 4 - Topics are good. They are looking at the Extreme Climates and enjoying the next text Esio Trot. Science has been good with practical experiments into light sources.

1 / 2 - Year 1 / 2 are sad Mrs Way is leaving and they would like a new TA who is nice and kind. Swimming is good and they are enjoying this.

Points of Discussion

What do you think of playtimes at the moment?

All children in Year 6 would like the chance to be playground helpers for Reception, Year 1 and 2. They would also like to have referees to help with the football games so they are fair.

How could we improve playtimes even more?

Can we also have a quiet area for the children who do not like the big noise in school.

What would you like dinner staff to do with you?

Questions to be asked in class

What would you all like to do when you are in the dinner hall and have finished your lunch?
