Class Issues

5 / 6 - pleased with the new topic and really enjoy the variety and ability to present their homework in their own way. Enjoying all the PE lessons.

Worries about football and fair play. Year 6 and Sports Ambassadors very keen to help. Yr 5 and 6 would like to do a school play.

3 / 4 - PE is really good. They are enjoying Dance and netball. Finding the Iron Man topic really interesting and really enjoying the Science topic on electricity.

1 / 2 - Science Materials is really good. Enjoying the new text Lost and Found and working hard on reading and being Resilient, persevering like Barry the Beaver.

Rec - LT to discuss with Rec this week.

Points of Discussion

What do you think of the school library?

The library is good. More selection of books would be good to have and the younger children need a greater selection to choose from.

How would you like to see it used?

More atlases would be good. Also they like the 13 Tree House story books, Tom Gates, Mark Lowerly and more David Walliams titles.

What type of furniture would you like to see us bring into school to store and show off the books?

Would like more colourful furniture and ones that perhaps have seating to sit and read in the library. It needs more colour, it is boring.

What types of books and authors would you like to see in the library?

Can we have an author of the month in the Newsletter. This could be from each class. Could we also have book series so we can read a selection of ongoing stories.

Action Points

- Children will ask their class the questions from above and then meet again to discuss the answers.

Next meeting: Spring Term 2 after half term 8th March 11.30am

Blue Peter Books and Authors

In the running to be awarded Best Book with Facts are:

- 24 Hours in the Stone Age, by Lan Cook, Illustrated by Laurent Kling (Usborne)
