

Shipwreck

This small ship is lying at the bottom of the sea. It looks like it has been there for many years.

- Where exactly is it?
- Which sea does it lie at the bottom of?
- What do you think happened?
- Why is it there?
- What else lies in the murky depths?
- Do you find anything while exploring?

Imagine you are the diver in the photograph. Write a diary entry, **describing** your journey to the bottom of the sea, exploring this amazing sight. Remember to: include effective adjectives (colours, shapes, sizes, textures) to describe the ship, the sea, the surroundings, the fish, the sea-bed etc; emotions to describe how you feel and what you find.
