

If I were King or Queen for the day.....

Queen Victoria was Queen of the United Kingdom from 20th June 1837 until 22 January 1901, when she died. Her reign lasted for 63 years and seven months.

Imagine that you were King or Queen for the day.

What would you do?

Where would you go?

How would you behave?

Would you make any new rules?

Would you have a fun day, doing whatever you liked?

Do you think you would like it, or not?

Write about what you would do if you were King or Queen for the day. Write about what you would do for the whole day as King or Queen of the United Kingdom.
