

Art and Design

What does Art look like at Broadwas CE VA Primary School?

- From Reception to Year 6, every child is given the opportunity to express themselves creatively through art, craft and design. We cover a vast amount of artistic subject matter so that all children, regardless of ability, can find an element of art that they enjoy and can be proud of.
- They develop skills in painting, drawing, collage, textiles, digital media and sculpture, and feel safe communicating their inner thoughts and feelings through this range of media.
- Our lessons engage, inspire and challenge pupils, equipping them with the knowledge and skills to experiment, invent and create their own works of art, craft and design.
- As children progress, they think critically and develop a more rigorous understandings of art and design.
- Children enjoy exploring Art and Design that reflect historical periods and cultures as well as exploring famous artists, architects and designers.
- Art has no boundaries and provides all learners the opportunity to shine!

Broadwas pupils say...

"I love Art because you can be creative and express yourself."

"I enjoy Art because your imagination can take you anywhere."

"I love painting, especially when we created sunsets with watercolours."

"In Art, you can let your creativity flow and go wild!"

"I like practising mixing colours in our sketch book before making the final piece."

"Learning to shade Iron Man was relaxing."

Our extracurricular activities and events:

- Craft Club
- Painting Club
- Art Week
- Alfrick and Lulsley Show
- Worcester Cathedral Exhibitions
- Links with local artists such as John the Potter.
