

Physical Education

What does PE look like at Broadwas CE VA Primary School?

- Every child participates in at least two hours of physical activity per week and enjoys a broad range of activities from competitive games to dance and gymnastics.
- Through PE, Science and PSHE, children are taught about the importance of leading a healthy, active lifestyle.
- Our PE curriculum provides a progression of skills ensuring every child has the opportunity to meet their personal best.
- We offer a range of outdoor and adventurous activities such as Welly Wednesday in Reception, Forest School in Key Stage One, OAA in Key Stage Two and the Residential trip in Year 6.
- We believe every child should be a confident swimmer by the time they leave primary school. We deliver safe, fun and effective swimming lessons that teaches children vital skills on how to stay safe in and around water.
- We have strong links with our cluster schools and take part in many competitive events throughout the year such as football tournaments, dance festivals and swimming galas.
- We are proud to have a School Sport Organising Crew as well as Sports Ambassadors who plan games and events for their peers.

Our extracurricular activities:

- Dance
- Football
- Rounders
- OAA
- Multi skills
- Netball
- Cheerleading
- KAB
- Tennis
- Rugby
- Mini Olympics
- Gymnastics
- Hockey

Broadwas pupils say...

"I love PE because I can be active and it's fun! My favourite sport is netball. We've been practising it at school and I am so much better!"

"I really like going to tournaments so I can play against other schools."

"I enjoyed being a PE ambassador because it's fun to work with other classes and encourage other people to be more sporty."

"I enjoy 'Mile a Day' because I feel proud of running so far and achieving my goals."

Our Events:

Sports Day

School Games Day

Sports Relief

Race for Life
