

Whole School Topic ANIMAL KINGDOM Summer Two Week Four

Geography

Jane lived and worked in Tanzania, Africa. Create a map of Africa and label Tanzania.

Take a virtual trek through the Gombe National Park. Drag and drop the little man onto the path and explore the habitat [here](#).

Art

Create a Jane Goodall paper doll [here](#).

Sketch Jane Goodall's portrait.

Study and create a drawing of a chimpanzee.

Jane's husband, Baron Hugo van Lawick, was a wildlife photographer. Can you capture images of wildlife?

Make a mischievous monkey [here](#).

English

Write a biography about the life of Dame Jane Goodall.

Calling all travel agents! Can you write a descriptive travel brochure encouraging people to visit Tanzania or the Gombe National Park?

Imagine you are Jane observing chimpanzees interact. Write a diary about your experiences.

Science

What scientific discoveries did Jane Goodall make?

Jane is a Primatologist. What does this mean?

Jane studied chimpanzee behaviour and habits. Choose an animal to study and make notes on. This could be your pet, a creature in your garden or an animal at Chester Zoo [here](#).

Music

Watch the African drumming and dance sequence [here](#). Can you clap your hands in time to the music? Can you create your own African dance?

Watch this clip from the musical 'Jane...Me' about Jane's life [here](#). How many animal facts are there in the song? Research your own incredible facts and replace the lyrics.

Design and Technology

Create a plant pot out of recycled materials [here](#) – one of the ideas from Jane Goodall's 'Roots and Shoots' charity foundation.

Create a shoebox chimpanzee habitat.

Design a tool that would help the chimpanzees pluck insects from trees.

Useful Links

Watch 'SciShow Kids: Into the Forest with Jane Goodall' [here](#).

Watch Dr Jane Goodall teaching about conservation ('First Look at Jane' - National Geographic) [here](#).

Read an interview with Jane Goodall by National Geographic Kids [here](#).

MR DENNIS' WEEKLY CHALLENGE

See if you can find a fantastic virtual tour about natural history. Have a look at virtual tours of zoos and museums. What facts can you discover about your favourite animals?

Email your class teacher and share what you have learnt. Mr Dennis cannot wait to see your research!

Please photograph your best work and upload the photos to Tapestry and/or send them to reception@broadwas.worcs.sch.uk to be included in the gallery on our website. Smaller pieces can be brought to school, when it reopens, for our 'Animal Kingdom' displays which will be in the Hall and Corridors.
