

SMSCD

What does SMSCD look like at Broadwas CE VA Primary School?

At Broadwas, we aim to prepare the children for the opportunities, experiences and responsibilities of life. Fostering their spiritual, moral, social and cultural development is vital in this process. During their time at Broadwas, we aim to encourage the children to:-

- Develop a growing sense of their being, their personality and their potential.
- Think about the questions at the heart of life and moral issues, and recognising values.
- Have a greater understanding and respect for other people's beliefs.
- Distinguish between right and wrong and acquire the will to do what is right.
- Be able to relate to other people and demonstrate concern for their wellbeing.
- Appreciate their own culture and that of others.
- Appreciate and participate in the Arts.

These are just a few of the many possible examples.

- collaborative activities
- participating in local dance and song festivals
- learning about people's beliefs and views in daily worship and lessons
- Relating our six core Christian values to everyday school life
- studying the work of famous artists and musicians
- Supporting the work of local, national and international charities
- health education
- roles of responsibility entrusted to children
- discovering the wonder of variety across the natural world through science lessons and Forest School

Our extracurricular events and trips

- Diversity Day
- Forest School and Welly Wednesday
- Visits to Places of Worship
- Visits to Art galleries and museums
