

Religious Education

What does RE look like at Broadwas CE VA Primary School?

At Broadwas, we believe in the importance of learning about and learning from the different world religions. In today's world it is vital to teach children about the traditions, festivals and values of others. We also encourage children to share their experiences of religion and celebrate their own beliefs. RE helps prepare pupils to become responsible citizens by raising local, national and global concerns.

The teaching of RE is creative; taught through art, music and drama. We enhance our curriculum by encouraging the children to ask questions and visit different places of worship. Children across the school are regularly presented with important conceptual challenges.

Our 6 school values underpin school life at Broadwas. While our daily acts of worship are firmly rooted in our school's Christian values, we also aim to celebrate a variety of major religious festivals and national and global issues.

Broadwas pupils say...

"We liked it when our friends talked to us about their faith and what it means to them'.

'I like learning about God and Jesus because we listen to and learn about interesting stories'.

'We enjoy learning about different cultures and beliefs'.

'RE lessons make me feel happy and safe'.

Our extracurricular events and trips

- Visits to places of worship such as our local Church, Singer's Hill Synagogue, Islamic Experience Exhibition and Mosque, Mandir
- Harvest, Christmas and Eucharist services in Church
