

Dolphin song

Ages 9-13

Dolphin song is a book about a 12 year old girl named Martine who has a white giraffe called Jemmy. She goes out at midnight to ride him even though she is not aloud. Eventually she gets found out and is banned from riding him at night, though she can still ride him in the day. However she disobeys her Grandmother and continues riding him at night.

One day with her class, Martine goes on a boat trip and the boat sinks. Miraculously, Martine and her friends get rescued by dolphins who take them to a desert island where for weeks they survive of coconuts, before they discover that some people have been setting of explosions near the island they are staying on.

They then travel and expose the people that were setting of explosions. Then they they go back to their family and the rest of their friends that got left at the desert island got rescued and taken back home.
