

Toto the Ninja Cat

And the incredible Cheese Heist

7-11 Fiction

What is Toto the ninja cat about?

Toto is a small kitten that knows karate and is teaching her brother the same moves she knows. She has joined secret ninja society with her brother and there is a new villain in town. He has stolen all of the cheese in the world! Toto, Silver (Toto's brother) and Cat Face (a rat who thinks he's a cat) go on a mission to save all the cheese...

I like this book because...

It is an adventure story with fighting scenes in it and with a lot of pictures around the book.
