

MYSTIC AND THE MIDNIGHT RIDE

Fiction/ for ages 9 to 13 year olds

Mystic and the Midnight Ride is a fun ,exciting book that involves two ponies called Mystic and Blaze ,three little girls called Issie ,Kate and Stella and a stable owner called Tom. This book is written by Stacy Gregg, it is a great book and is perfect for animal/horse lovers. It is about when Mystic and Issie go to a horse show and a girl called Natasha accidentally sets her horse free. Her horse and others run by the road and Mystic saves them but it is a shame that he is unfortunately involved in a lorry accident while Issie was riding on his back but because Issie was wearing a helmet she was lucky and didn't get injured but Mystic wasn't as lucky as that...

My favourite character

My favourite character is Mystic for he saved the other horses, risking his own life to save the others, he loves Issie so much , listens to her and does what she says.

I recommend this book to anyone who loves fun and exciting books and horses. Reviewed Hollie
