

Broadwas CE Primary School – Pupil Premium Overview

In 2011/12 the Government launched its Pupil Premium funding initiative. This money is sent to schools based on the numbers of children who are either eligible for Free School Meals (FSM) or are Looked After Children (LAC). From 2012/13 it has been expanded to include all children who have been eligible for FSM within the last 6 years. The Pupil Premium funding that is received by the school annually is used in a variety of ways in order to improve pupil attainment and to help overcome any barriers to learning.

Measuring the impact of PPG spending 2013/14

2014 SATs data in RAISEOnline Report for Disadvantaged pupils (PPG)

	No. of pupils	All NC Core Subjects (APS)		Reading (APS)		Writing (APS)		Maths (APS)	
		School	Nat.	School	Nat.	School	Nat.	School	Nat.
KS1	2	14.7	14.6	15.0	15.0	14.0	13.7	15.0	15.0
KS2	4	26.6	27.0	28.5	27.5	24.0	26.2	27.0	27.2

In the Key Stage 1 (KS1) SATs, the Average Points Score (APS) for two PPG pupils was in line with national benchmarks in Reading, Writing and Maths.

In the KS2 SATs, the APS for four PPG pupils was slightly lower than national benchmarks for all National Curriculum (NC) Core Subjects. However, this reflected the low attainment of one pupil in this group with a Special Educational Needs (SEN) statement who had an APS of 13.5 for all NC Core Subjects. If this child is removed from the data, the PPG group APS increases to 30.9, significantly higher than national benchmarks.

100% of PPG pupils across the school made expected or better than expected progress in Reading and Maths.

91% made expected or better than expected progress in Writing (with one pupil making just less than expected progress).

Whole school attendance was 97.1% in 2013/14. Attendance for PPG pupils was 94.0% compared with 94.9% nationally.
