

Broadwas CE Primary School, Broadwas on Teme, Worcester, WR6 5NE

23rd February 2026

Dear Parents and Carers

**Reception Trip to Queenswood Country Park & Arboretum, Leominster
Tuesday 24th March 2026**

The children in Reception, along with five of the older children in Bumblebees, will be taking part in a joint trip to Queenswood Country Park on Tuesday 24th March.

As part of their topic 'Into the Woods' the children in reception will be exploring different animals that live in the woods and language collecting to help them in their writing about 'The Gruffalo'. They will also enjoy taking part in the Gruffalo Trail.

The children will be accompanied by Mrs Armstrong, Miss Stevenson and Christianne Wilde from Bumblebees, they will be travelling on a minibus that will leave school at **9:30am** and return by **3:00pm**.

As the children will be travelling on a minibus they will need to have use of their child or booster seat for fitting into the minibus prior to leaving school. Please ensure you bring this to the pew outside Reception classroom (and it has a name on it).

Children should come into school wearing their own clothes, suitable for being outside (plenty of layers are advisable), have a set of waterproofs, and a waterproof coat, wear sensible shoes/trainers (to wear to and from school), and bring a pair of waterproof boots or wellies in a named bag, (which the children will use to put muddy boots in before they get back onto the minibus).

Your child will also need to bring a packed lunch and a drinks bottle which they will have as a picnic at lunchtime with the staff. A midmorning fruit snack will be provided for the children to have whilst on the trail.

The cost of this visit is £9.50 per child, payment is to be made using the Arbor app and where you can give consent for your child to attend (within the Trips section).

Yours faithfully

Mr Dennis
Headteacher
